HOME & INTERIORS

SEMINAR TIMETABLE

HELD DAILY AT HOME & INTERIORS WAIRARAPA 2018

FRIDAY 9 NOVEMBER

10.30am	Is Your Property Safe from Fire? <i>Presented by Philip Soal of Fire and Emergency New Zealand</i> In 80% of house fires we attend, smoke alarms are either not installed or they don't work. Come and join us for an open discussion around how to keep you and your family fire safe.
11.00am	The Art of Wallpaper <i>Presented by Ben Masters of PaperHands</i> The way we use and decorate our homes is always evolving, learn all about the potential of wallpaper on our walls.
11.30am	Take Control of Your Energy Future <i>Presented by Greg Hoskins of Hoskins Energy Systems</i> Learn how to improve your energy efficiency, lower energy costs and increase renewable energy self-consumption in your home.
12 noon	How to Keep Your Building Project Under Budget <i>Presented by Victoria Read, Registered Architect</i> Most clients who come to see us have the same question uppermost in their mind - "How much will the project cost?". With careful planning and using the correct process, keeping within the budget can be straightforward.
12.30pm	DIY Stripping - No Sanding, so Easy! <i>Presented by Simon Cooper, inventor of the Cooper's stripping system</i> Simon Cooper will show you how easy stripping paint and varnish can be without the need for any sanding.
1.00pm	Taking the Stress out of Building <i>Presented by Nolan Mackie of G J Gardner</i> Come and spend some time with New Zealand's largest most trusted home builder to find out some of the things to consider when thinking of building a new home. We will share with you some of the key factors that provide the foundation for an enjoyable and stress free project with no surprises.
1.30pm	The Art of Paint <i>Presented by Glenn McDean of Sarah Jones</i> Glenn was trained in the art of decorative finishes. He has the delicate skill of manipulating paints and mediums for furniture, walls and floors in the finest English tradition. Learn about marbling, stencilling, gold leafing, use of crack medium plus distressing and aging.

SATURDAY 10 NOVEMBER

11.00am	The Art of Wallpaper <i>Presented by Ben Masters of PaperHands</i> The way we use and decorate our homes is always evolving, learn all about the potential of wallpaper on our walls.
